

Carbon Valley Learn to Swim Program

The Carbon Valley swim program creates an ideal environment to learn the fundamentals of water safety as well as stroke development and refinement. Proper swim attire is required, no street clothing (rash guards are OK). If CVPRD cancels a class, participants will receive credit on their account. Make-up classes will not be offered. Swim lesson fees do not include admission to the pool. **District registration opens at 7 am and non-District registration opens at midnight. Swim lessons will not be held March 21 & 23.**

Session	TUESDAY/THURSDAY PM				SATURDAY AM			
	Class Dates	Registration Opens		Registration Closes	Class Dates	Registration Opens		Reg. Closes
		District	Non-District			D	ND
