

# CVPRD NEWSLETTER

Back-to-school season is here, and so is a full and exciting fall ahead! From registration deadlines and special events to Shutdown Week planning and more, there is plenty to prepare for as we head into a busy season. Read on for important updates, key dates, and opportunities to make the most of what's ahead.

## SHUTDOWN WEEK

### Shutdown Week August 24-30

Each year, CVPRD takes a one-week pause in August to conduct a deep clean, complete facility maintenance, and take lasting care of our amenities for the year to come. While no major renovation projects are scheduled for this year's shutdown week, we'll be elbows deep in projects to get things squeaky clean.

*Please note: The Gymnastics Center will remain open for scheduled classes and open gyms.*

During this time, **members are welcome to use the Erie Community Center (their pool will not be open)**—just present your CVPRD membership card at the front desk. *Note: this does not apply to visit/punch passes.*

We appreciate your patience as we work to improve your facilities and ensure a safe, comfortable experience for all. Follow along on our [Facebook](#) or [Instagram](#) to see what we're up to throughout the week!
